Welcome catalogue fans. 1996 List #2 is loaded with many recent purchases. Lots of prices are reduced; in some cases by 50% or more! This list is a bargain hunters delight. All of the big name cataloguers such as Bowers, Stack's Superior, Kagin's, Heritage, etc., are included in this mark-down. There's never going to be a better time to fill in your sets or obtain information on a new area of interest.

I would like to personally thank all of our customers for making Great American Sales a successful numismatic endeavor. Keep those cards and letters coming! For those who haven't written lately, hopefully there will be something priced right so you will just have to have it.

As always, we are active buyers of any complete 19th century U.S. catalogues. Write and let us know what you have to offer.

Best regards,

*Karl Moulton*

Anything above \$600 cannot be insured unless packed in a separate parcel. In this case, include two shipping charges.

\*\* NOTE: Please add the following packing/handling charges based on the number of catalogues you order:

THANK YOU!

PRICES REALIZED LIST5 are an important feature. We make every attempt to provide one with each sale purchased. They are, in some cases, more difficult to locate than the catalogues themselves. Great American Sales maintains a large Prices Realized file. As a new service to our customers, we will make a photocopy of any sale's list that we have listed with a PR in front of the price for \$2.00 postpaid, or any 10 different sales for just \$15.00 postpaid.

This is a valuable service that we hope will help make researching more rewarding.

PRICES REALIZED LISTS are an important feature.

We make every attempt to provide one with each sale purchased. They are, in some cases, more difficult to locate than the catalogues themselves. Great American Sales maintains a large Prices Realized file. As a new service to our customers, we will make a photocopy of any sale's list that we have listed with a PR in front of the price for \$2.00 postpaid.

This is a valuable service that we hope will help make researching more rewarding.

**REMEMBER:** Prices Realized Lists are an important feature. They are, in some cases, more difficult to locate than the catalogues themselves. Great American Sales maintains a large Prices Realized file. As a new service to our customers, we will make a photocopy of any sale's list that is listed with a PR in front of the price for \$2.00 postpaid.

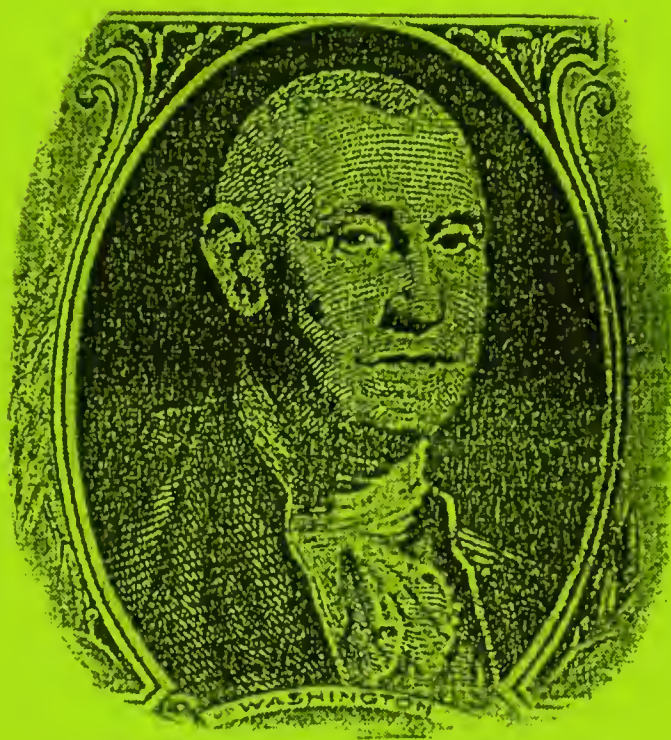

This is a valuable service that we hope will help make researching more rewarding.

Great American Sales is always buying auction catalogues. Please write and let us know what you have for sale.

Thank You!
